

MOLLY A. NIKOLAS

Department of Psychology
 112 Seashore Hall East
 Iowa Avenue
 University of Iowa
 Iowa City, Iowa 52242

phone: (319) 335-2455
 email: molly-nikolas@uiowa.edu 308 E.

EDUCATIONAL AND PROFESSIONAL HISTORY

Education

- 2011 Ph.D. Clinical Psychology
Michigan State University, East Lansing, MI
- 2010-2011 Clinical Psychology Internship
University of Washington School of Medicine/ Seattle Children's Hospital, Seattle, WA
- 2005-2007 M.A., Clinical Psychology
Michigan State University, East Lansing, MI
- 1998-2002 B.A. *Cum Laude*, Pre-Professional Studies & Psychology
University of Notre Dame, Notre Dame, IN

Honors and Awards

- 2013 Old Gold Fellowship, University of Iowa
- 2012-2014 National Institute of Health Loan Repayment Award
- 2012 Selected Trainee, National Institutes of Health Early Career Scholars Interdisciplinary Training Program "Building Careers for Research in Child Maltreatment and Intimate Partner Violence"
- 2011 Director's Prize: Nancy Robinson Ph.D. Award for Outstanding Overall Achievement, University of Washington School of Medicine
- 2010 Invited Discussant, Young Researchers, New Ideas Panel, 1st Annual International, EUNETHYIDS Meeting
- 2009 Children and Adults with Attention-Deficit/Hyperactivity Disorder (CHADD) Young Scientist Research Award
- 2009 Behavioral Genetics Association Travel Award
- 2008 Phi Kappa Phi, Elected Member
- 2001 Invited Participant, University of Notre Dame London Program
- 1998-2002 Dean's List, University of Notre Dame

Professional Organizations

American Psychological Association, Division 53 (Clinical Child and Adolescent Psychology)
 Association for Psychological Science (APS)
 Society for Research in Child Development (SRCD)
 International Society for Research in Child and Adolescent Psychopathology (ISRCAP)
 International Neuropsychological Society (INS)
 International Society for Psychiatric Genetics (ISPG)
 Behavior Genetics Association (BGA)
 Society for Research in Psychopathology (SRP)

SCHOLARSHIP

Refereed Publications: Journal Articles

(Names of my students are underlined)

*	senior author, major contribution	***	equal contribution
**	secondary contribution	****	minor contribution

Manuscripts in Preparation and in Review

*Myhre, N., Martel, M.M., Friderici, K.H., Nigg, J.T., & **Nikolas, M.A.** (in preparation). Do gene x environment interactions predict neuropsychological functioning among youth with attention-deficit hyperactivity disorder. *Journal of Abnormal Child Psychology*.

*Ullsperger, J.M., **Nikolas, M.A.**, Klump, K.L., & Burt, S.A. (in preparation). Parenting and child internalizing problems: Evidence of evocative gene-environment correlation across two child twin samples. *Journal of Abnormal Psychology*.

*Wallace, A. L., Ullsperger, J.M., & **Nikolas, M.A.** (in preparation). Childhood attention-deficit hyperactivity disorder and substance use in young adulthood: The mediating role of personality. *Personality and Individual Differences*.

***Nikolas, M.A.**, Elmore, A.L., Franzen, L., Kearney, J., & Plumert, J. (in preparation). Risky bicycling behavior among youth with and without attention-deficit hyperactivity disorder. *Journal of Child Psychology and Psychiatry*.

***Nikolas, M.A.** (in preparation). Exploring the latent structure of adult attention-deficit hyperactivity disorder: Informant, sex, and age invariance and relation to sluggish cognitive tempo. *Journal of Abnormal Psychology*.

*Wiggs, K., Elmore, A.L., Nigg, J.T., & **Nikolas, M.A.** (in review). Prenatal health risk for child externalizing disorders: Does neuropsychological weakness explain the link? *Journal of Child Psychology and Psychiatry*.

***Nikolas, M.A.**, Friderici, K.H., Jernigan, K., & Nigg, J.T. (in review). Dopamine genes, pre- and perinatal health risk, and attention-deficit hyperactivity disorder: Evidence of gene x environment interaction. *Development and Psychopathology*.

Elmore, A.L., **Nikolas, M.A., & Canu, W. (in review). Cognitive expectancies and valuations mediate links between ADHD behaviors and problematic alcohol use. *Substance Use and Misuse*.

Book Chapters in Press

***Nikolas, M.A.** (in press). Comorbidity among externalizing spectrum disorders. To appear in: T.P. Beauchaine and S.P. Hinshaw (Eds.) *Oxford handbook of externalizing spectrum disorders*. New York: Oxford University Press.

***Nikolas, M.A.**, Markon, K.E., & Tranel, D. (in press). Psychopathology: A neurobiological perspective. To appear in: J.E. Maddux & B.A. Winstead (Eds.), *Psychopathology: Foundations for a contemporary understanding* (4th edition). New York: Routledge/Taylor & Francis.

Book Chapters

***Nikolas, M.A.**, & Hopwood, C.(2013). Disordered gambling and personality traits. In D.C.S. Richard, A. Blaszczynski, and L. Nower (Eds.), *Wiley-Blackwell Handbook of Disordered Gambling*, (pp.117-131). Hoboken, New Jersey: Wiley-Blackwell.

Klahr, A.M., **Nikolas, M., & Burt, S.A. (2012). Developmental Psychopathology. In V. Ramachandran (Ed.) *Encyclopedia of Human Behavior*, 2nd Edition. Oxford, UK: Elsevier.

Nigg, J. *, Martel, M.M., & **Nikolas, M., & Casey, B.J. (2010). Intersection of emotion and cognition in developmental psychopathology. In S.D Calkins and M.A. Bell (Eds). *Child Development and the Intersection of Emotion and Cognition* (pp. 225-245). Washington, D.C.: American Psychological Association.

Nigg, J., & **Nikolas, M. (2008). Attention-deficit hyperactivity disorder. In T. Beauchaine and S. Hinshaw (Eds). *Child and Adolescent Psychopathology* (pp.301-334). Hoboken, NJ: John Wiley, & Sons.

Invited Papers/Articles

***Nikolas, M.A.** (in press). Beyond nature versus nurture: The future of gene-environment interplay research in psychiatry. *Psychiatric Times*.

Presentations

***Nikolas, M.A.**, & Nigg, J.T. (2014, March). The impact of pubertal development on etiological mechanisms and comorbidity of attention-deficit hyperactivity disorder in adolescence. In M.A. Nikolas (Chair), *Illuminating sex differences in adolescent psychopathology: The role of pubertal development and gonadal hormones*. Paper presented at the biennial meeting of the Society for Research in Adolescence, Austin, TX.

***Elmore, A.**, & **Nikolas, M.A.** (2013, June). *Unraveling relationships between family functioning, ADHD, and comorbid externalizing disorders: Specificity of effects*. Poster presented at the Sixteenth Biennial Meeting of the International Society for Research in Child and Adolescent Psychopathology, Leuven, Belgium.

***Ullsperger, J.**, & **Nikolas, M.A.** (2013, June). *Does child temperament play a role in the relationship between parenting practices and ADHD symptoms?* Poster presented at the Sixteenth Biennial Meeting of the International Society for Research in Child and Adolescent Psychopathology, Leuven, Belgium.

***Nikolas, M.A.**, Friderici, K.H., & Nigg, J.T. (2013, June). *Dopamine genes and pre-and perinatal risk factors for attention-deficit hyperactivity disorder: Evidence of gene x environment interactions*. Paper presented at the Sixteenth Biennial Meeting of the International Society for Research in Child and Adolescent Psychopathology, Leuven, Belgium.

***Nikolas, M.A.**, & Nigg, J.T. (2013, April). Differential genetic loading and sex-specific sensitivity to prenatal substance exposures: Illuminating sex differences in ADHD. In M.A. Nikolas (Chair) *Development of sex differences in externalizing psychopathology: Familial risk, prenatal exposures, and temperament trait mechanisms*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

***Nikolas, M.A.**, Klump, K.L., & Burt, S.A. (2013, April). Parental involvement as a moderator of etiological influences on ADHD behaviors: Investigation of gene-environment interplay using child twin methodology. In B. D'Onofrio (Chair), *Using genetically informed studies to understand the etiology of neurodevelopmental problems in childhood*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

***Martel, M.M., **Nikolas, M.A.**, & Nigg, J.T. (2013, April). Does temperament mediate the relationship between ADHD symptoms and substance use symptoms in adolescence? In B. Molina (Chair), *Understanding the development of substance use problems in adolescents and young adults with attention deficit/hyperactivity disorder*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

***Myhre, N.**, & **Nikolas, M.A.** (2013, April). *Interactions between DRD4 genotype and inconsistent parenting predict neuropsychological performance in ADHD youth*. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

***Nikolas, M.A.**, & Nigg, J.T. (2012, October). *Unraveling the relationship between childhood attention-deficit hyperactivity disorder and substance use disorders in adolescence and young adulthood*. Paper presented at the 2012 Themed Meeting of the Society for Research in Child Development: Transitions from Adolescence to Adulthood, Tampa, FL.

***Nikolas, M.**, Klump, K.L., & Burt, S.A. (2010, October). *Etiology of the comorbidity between attention-deficit hyperactivity disorder and conduct disorder: Moderation by age?* Poster presented at the Twenty-Fourth Annual Meeting of the Society for Research in Psychopathology, Seattle, Washington.

- ***Nikolas, M.**, & Nigg, J.T. (2010, May). *Neuropsychological functioning and DSM-IV ADHD subtypes*. Paper presented at the 1st International Meeting of the European Network for Hyperkinetic Disorders (EUNETHYDIS), Amsterdam, the Netherlands.
- **Nigg, J.T., **Nikolas, M.**, & Friderici, K. (2009, October). *Progress on ADHD mechanisms*. Paper presented at the 56th Annual meeting of the American Academy of Child and Adolescent Psychiatry, Honolulu, Hawaii.
- ***Nikolas, M.**, Nigg, J.T., Waldman, I.D., & Friderici, K.H. (2009, June). *Investigation of GxE effects for ADHD: Synergistic effects of 5HTTLPR genotype and youth appraisals of marital conflict*. Paper presented at the 19th meeting of the International Society for Research in Child and Adolescent Psychopathology, Seattle, Washington.
- ***Nikolas, M.**, Klump, K.L, & Burt, S.A. (2009, June). *Marital conflict moderates genetic and environmental influences on ADHD: Investigation of GxE effects in a twin sample*. Poster presented at the 19th meeting of the International Society for Research in Child and Adolescent Psychopathology, Seattle, Washington.
- ***Nikolas, M.**, & Burt, S.A. (2009, June). *Genetic and environmental influences on ADHD symptom domains of inattention and hyperactivity: A meta-analysis*. Paper presented at the 2009 meeting of the Behavioral Genetics Association, Minneapolis, Minnesota.
- ***Nikolas, M.**, Martel, M., Nigg, J., & Friderici, K. (2009, April). *Relationships among executive functioning, ADHD subtype diagnoses, and dopamine transporter genotype*. Poster presented at the biennial meeting of the Society for Research in Child Development, Denver, Colorado.
- **Martel, M.M., **Nikolas, M.**, & Nigg, J. (2009, April). *Personality mediation of catecholamine association with attention-deficit hyperactivity disorder*. Poster presented at the biennial meeting of the Society for Research in Child Development, Denver, Colorado.
- ***Nikolas, M.**, Nigg, J., & Friderici, K. (2008, February). *Dopamine transporter genotype as a moderator of the relationship between executive function and ADHD symptoms in adolescence*. Paper presented at the 20th Annual Meeting of the International Neuropsychological Society, Waikoloa, Hawaii.
- ***Nikolas, M.**, Nigg, J., Friderici, K. (2007, October). *Genotypes of the catecholamine pathway moderate relation of environmental pollutants with ADHD*. Paper presented at the 15th Annual meeting of the World Congress on Psychiatric Genetics, New York, New York.
- ***Nikolas, M.**, Nigg, J., & Friderici, K. (2007, June). *Genetic and psychosocial risk factors for externalizing disorders in adolescence: More evidence of G x E effects*. Poster presented at the 18th meeting of the International Society of Child and Adolescent Psychopathology, London, England.
- ***Nikolas, M.**, Nigg, J., & Friderici, K. (2007, March). *Genetic and environmental risk factors in the development of ADHD and associated disruptive behavior disorders*. Poster presented at the biennial meeting of the Society for Research in Child Development, Boston, Massachusetts.
- ***Nikolas, M.**, Martel, M., & Nigg, J. (2007, February). *Executive functioning in adolescents with attention-deficit hyperactivity disorder*. Paper presented at the 19th annual meeting for the International Neuropsychological Society, Portland, Oregon.
- ***Nikolas, M.**, Nigg, J., Housley, D., Friderici, K., & Waldman, I. (2006, October). *Associations between the dopamine beta-hydroxylase gene and ADHD using a whole-gene approach: Marker selection strategies and preliminary findings*. Poster presented at the 7th Annual Meeting of the ADHD Molecular Genetics Network, Brussels, Belgium.

***Nikolas, M.**, Friderici, K., & Nigg, J. (2006, October). *Genes and endophenotypes for ADHD, oppositional, and conduct problems: Specificity of pathways*. Poster presented at the 17th Annual Eunethydis Meeting, Brugge, Belgium.

Levine, S.C., Brasky, K.M., & **Nikolas, M.A. (2005). *The role of gesture in the early language development of brain-injured children*. Part 3 of Role of Gesture in Language Development Symposia given at the International Congress for the Study of Child Language (IASCL) Meeting, Berlin, Germany.

***Brasky, K.M., **Nikolas, M.A.**, Meanwell, C.A., Levine, S.C., & Goldin-Meadow, S.J. (2005). *Language development in children with early unilateral brain injury: Effects of lesion size*. Poster presented at the Society for Research in Child Language Disorders (SRCLD) Meeting, Madison, Wisconsin.

Invited Lectures and Presentations

Nikolas, M.A. (2015, January). *Beyond diathesis-stress: Exploring alternative mechanisms of gene-environment interplay for attention-deficit hyperactivity disorder*. Presentation given to the Molecular Psychiatry Interest Group, University of Iowa.

Nikolas, M.A. (2014, June). *Cognitive-behavioral therapy for adult ADHD: Targeting executive dysfunction*. Presentation given as an Academic Salon for the Iowa Psychological Association.

Nikolas, M.A. (2012, November). *Exploring the mechanisms of bicycle injury risk among child cyclists with attention-deficit hyperactivity disorder*. Presentation given to the Executive Council of the Injury Prevention Research Center, College of Public Health, University of Iowa.

Nikolas, M.A. (2012, October). *ADHD grows up: Developmental trajectories of ADHD and implications for assessment diagnosis, etiology, and treatment*. Presentation given as the Inaugural Academic Salon for the Iowa Psychological Association.

Nikolas, M.A. (2012, October). *Gene x environment interactions for ADHD: Indicators of risk or plasticity?* Presentation given for Department of Psychiatry Research Rounds, University of Iowa Hospitals and Clinics.

Nikolas, M.A. (2012, September). *Neuropsychological functioning and ADHD: Illuminating taxonomy and causal mechanisms*. Presentation given for the Clinical Area Rounds, University of Iowa Department of Psychology.

Nikolas, M.A. (2011, October). *Gene x environment interactions for ADHD: Indicators of risk or plasticity?* Presentation given for the Clinical Area Rounds, University of Iowa Department of Psychology.

Nikolas, M.A. (2010, October). *Unraveling genetic and environmental influences on child psychopathology*. Presented for Clinical Interest Group Colloquium, Department of Psychology, Michigan State University.

Nikolas, M.A. (2010, May). *Neuropsychological functioning and ADHD*. Presented as part of the 1st Annual International Meeting of European Network for Hyperkinetic Disorders (EUNETHYDIS), Amsterdam, the Netherlands.

Nikolas, M.A. (2010, February). *Developmental correlates and consequences of attention-deficit hyperactivity disorder*. Presented as part of the Global Burden of Disease Lecture Series, Department of Epidemiology, Michigan State University.

Research Support

Internal Grants (funded)

Agency: University of Iowa Center for Clinical and Translational Science PILOTS Program
Title: *The Role of Rare Genetic Variants in Attention-Deficit Hyperactivity Disorder*
Role: Principal Investigator (Co-Investigators: Markon, Murray)
Amount: \$50,000
Period: 07/2012 – 06/2013

Agency: University of Iowa Injury Prevention and Research Center Pilot Grant
Title: *Exploring the Mechanisms of Bicycle Injury Risk Among Child Cyclists with Attention-Deficit Hyperactivity Disorder*
Role: Principal Investigator (Co-Investigators: Plumert, Kearney, Cremer)
Amount: \$22,500
Period: 11/2012 – 07/2013

Internal Grants (not funded)

Agency: University of Iowa Center Office of the Vice President for Research
Title: *Neurocognitive Markers of Childhood Psychopathology*
Role: Principal Investigator
Amount: \$50,000
Period: 02/2014 – 01/2015

Agency: Iowa Institute for Human Genetics
Title: *Identification of Rare Genetic Variants for Attention-Deficit Hyperactivity Disorder : A Family-Based Approach*
Role: Principal Investigator (Co-Investigators: Markon, Murray)
Amount: \$50,000
Period: 01/2014 – 12/2014

External Grants (funded)

Agency: Minnesota Medical Research Foundation/Shire Pharmaceutical
Title: *Utility and Validity of Cognitive Tests, Behavioral Rating Scales, and Deficit Hyperactivity Disorder Performance Validity Measures in the Diagnosis of Adult Attention Deficit Disorder*
Role: Sub-contracting Co-I (PI: Marshall, Hennepin County Medical Center)
Amount: \$67,628
Period: 01/2015 – 12/2015

Agency: National Science Foundation
Title: *CRI: II-EN: Shared Virtual Environments for Studying Social Influences on Risky Cycling and Pedestrian Behavior*
Role: Co-Investigator (PI: Kearney)
Amount: \$356,337
Period: 10/2013 – 09/2014

External Grants (pending resubmission)

Agency: Eunice Kennedy Shriver Institute for Child Health and Human Development
Title: R21 HD076040-01A1 *Studying Peer Influences on Risky Behavior Using Virtual Environments*
Role: Co-Investigator: (PI: Plumert)
Amount: \$403,550
Score: 34, 19th percentile

Status: Resubmitting as R01 February 2015

External Grants (not funded)

Agency: Eunice Kennedy Shriver Institute for Child Health and Human Development

Title: R03 HD077049-A1, *Measuring Peer Functioning in Adolescents with ADHD*

Role: Principal Investigator

Amount: \$151,000

Period: 07/2013 – 06/2013

Status: Resubmitting as R21

Agency: Eunice Kennedy Shriver Institute for Child Health and Human Development

Title: R21 HD082528-A1 *Social Cognition and Youth Attention-Deficit Hyperactivity Disorder*

Role: Principal Investigator (Co-Investigator: A. Todd)

Amount: \$402,000

Status: Not scored, resubmitting with additional pilot data collected Fall 2014

Fall 2014	FLEX LOAD SEMESTER							

Undergraduate Mentorship

- 12 students have designated Abnormal Psychology as an honors course through Spring 2014. Students wrote 8-10 page papers on special topic.
- Applied for and received ICRU Summer Fellowship for Nathan Myhre (2012)
- Served as Senior Project Faculty Advisor for Toni Crouse for her thesis integrating her double major in International Studies and Psychology (Fall 2012)
- Applied for and received ICRU Academic Year Fellowship for Nathan Myhre (2012-2013)
- Spring 2014 – mentored undergraduate student Katelyn Powell during her Teaching Practicum in Psychology. She assisted as an undergraduate TA for Abnormal Psychology.

Students Supervised

Degree	Student	Years	Outcome
Ph.D. Candidates	Alexis Elmore	2012-present	Ongoing
	Josie Ullsperger	2012-present	Ongoing
	Jaclyn Kamradt	2014-present	Ongoing
	Allison Momany	2014-present	Ongoing
Honors	Anna Montgomery	2012-2013	B.S. with Honors
	Erin Church	2012-2013	MSW Program, Wash U
	Wonnice Chow	2012-2013	B.A.
	Breanne Peterson	2013-present	Ongoing
	Megan Beardmore	2013-2014	U Ariz School Psych Ph.D. prog
Undergraduate (Thesis Research)	Toni Crouse	2012-2013	B.A.; M.A. Columbia Univ
	Nathan Myhre	2012-2015	B.S. with Honors (ICRU)
	Alexander Wallace	2012-present	B.S. with Honors/PhD applicant
	Emma Smith	2013-present	Ongoing
	Noreen Jeglum	2012-present	Ongoing
	Zachary McCalley	2012-present	Ongoing
	Kelsey Wiggs	2014-present	Ongoing/Ph.D. Applicant
Undergraduate	Heather Robinson	2011-2012	Iowa Clinical Ph.D. program
	Sarah Eastman	2012-2013	UIC Pharmacy School
